✓ 12. (Unclassified - RLB) LEGISLATION Discussed with Mr. Quentin Crommelin, on the staff of Senator James B. Allen (D., Ala.), the status of S. 3572, which would prohibit the employment of aliens in the Civil Service. I told Mr. Crommelin I had checked with various offices in the Agency and confirmed that S. 3572, as drafted, would present problems for the Agency. Although confirming my suspicion that Senator Allen intended his bill to cover the entire Civil Service and not simply the competitive service, Mr. Crommelin said he would be willing to consider any amendment to the bill we might propose. Although, in Mr. Crommelin's opinion, S. 3572 probably would not get anywhere this session on its own, there is still the chance that Senator Allen might attempt to tack it on to another Senate bill; Mr. Crommelin promised to alert me in such an event.

13. (Unclassified - THW) LIAISON Dave Peterson, GAO, called asking where the letter was with respect to information on principal Agency officials. I checked and told him it had been mailed today.

14. (Unclassified - THW) LIAISON Accompanied [redacted] STAT OGC, to a meeting with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and Elliott Maxwell, also on the Committee staff. The meeting was scheduled to discuss an inquiry from Senator James Abourezk (D., S. Dak.) to Senator Daniel K. Inouye (D., Hawaii) with respect to Agency proprietaries. (See Memorandum for the Record.)

15. (Unclassified - LLM) LIAISON Called John Watson, GAO, concerning the economic data in which he is interested and it was agreed that it would be provided on Tuesday, 7 September.

16. (Internal Use Only - LLM) LIAISON Called Charles Leppert, Deputy Assistant for Legislative Affairs (House), White House Staff, concerning the letter prepared to Representative Leonor Sullivan (D., Mo.) [redacted] from Max Friedersdorf, Assistant for Legislative Affairs, White House Staff. Leppert understood the problem and will make sure that we get a call so that this can be fully discussed before the letter is signed.
